

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

I see this as a chance to show the people of the USA that we do have a choice and that we will continue to do so. The FCC governs broadcasting so that it is in the best interest of all, loosening these rules does not do that and limits our choice of viewpoints and programming.

I urge the FCC to NOT lessen the rules on Media Ownership.

Thanks in advance.
